More about Just Cuts

Just Cuts™ is a hairdressing salon that bridges the gap between the old-style barber shop and the high end hair salon. Our fixed price, no appointment system is a convenient and practical solution for our Clients, offering them convenient, quality Style Cuts™ cuts from fully qualified Stylists at an affordable price. Just Cuts™ was the brainchild of Denis McFadden, who, back in 1982 turned a simple idea into a business concept that would change the hairdressing industry forever. Always one to make the most of every situation, McFadden decided to run a promotion at his humble Sydney salon to boost business and offered all Clients a “no appointment, \$6 Style Cut”. The response was outstanding and the idea of Just Cuts™ was born. The Just Cuts New Zealand community includes 24 salons across the North and South Islands and 14 Franchise Owners. Across Australia and New Zealand Just Cuts provides services to over 100,000 Clients per week, work with 3,500+ Stylists and make the dream of owning your own small business a reality for everybody. In 2018 Just Cuts New Zealand celebrates 20 years of franchising.

And in 2013, we answered the calls of our Clients and Stylists and launched JUSTICE Professional™ – a range of salon quality, paraben free haircare and styling products available exclusively in all our salons at a competitive, affordable price. The JUSTICE Professional™ line has something for everyone, including everyday shampoos and conditioners, anti-dandruff and dry scalp treatments, toning products, nourishing leave-in treatments and a range of hair styling waxes and sprays.
